

General Nash Elementary 2018 March-a-thon!

Friday, October 19, 2018 - All Day!

Rain Date: October 26, 2018

General Nash students will once again “march” during their specials to raise funds for General Nash Home & School! They will have approximately 30 minutes to complete as many laps as they can around a course set up at our school. Students will be collecting our popular “foot” charms for every two laps they complete! Students who bring in donations between October 1 and October 19 will also have a chance to be one of five students called daily to pick a Principal Prize!

Our March-a-thon Goal this year is **\$11,000**, which helps to fund the Nash Home & School's annual budget of approximately \$23,000. We encourage each student to collect **\$45**, or each family to collect **\$65** to help us reach our March-a-thon Goal. ***For those who would like to make a One & Done donation for the year, we encourage each student to collect \$90, or each family to collect \$125.***

Look for **Pledge Packets** to come home this week. Inside each packet will be form letters to complete and send to family and friends to ask for donations, along with information for donating via PayPal. Pledge Packets will also be available in the E-Communications section of the Nash website.

We encourage everyone to participate! By working together we can easily reach our goal of \$11,000 – every donation helps us reach our goal!

- *Your General Nash Home & School March-a-thon Committee*

What Do Your Home & School Dollars Fund?

Field Trips

Teacher Stipends
