

Good Carma - Hand-Stamped Jewelry & More

“be true to you”

Nash Class of 2019 Fundraiser

The Nash Class of 2019 couldn't pass up this fundraiser with the message to "be true to you" -- for every bracelet, ring, or bag tag sold, they will raise \$10 to help fund their class trip and other 6th grade activities! These make great gifts for kiddos, teens, graduates, friends... or yourself!! These are made of high-grade aluminum (no nickel) and never need polishing; they maintain a high shine and will not affect any skin types.

Each bracelet, ring, or bag tag is \$15 plus \$3 shipping per order. Personalization is available for an additional \$3 per piece. To order online, message "Good Carma – Hand-Stamped Jewelry & More" via Facebook or Instagram, or email madjacktx@sbcglobal.net. Items are made to order, and shipped within 1-2 days of payment, although usually the next day.

The class has a limited supply of bracelets, bag tags, and rings on-hand for purchase on a first-come, first-served basis. To purchase from this limited supply, please contact Laura Boquist via Facebook messenger, or by email at boquistl@verizon.net. Please contact Laura Boquist if you have any questions!
