General Nash students will once again "march" during their specials to raise funds for General Nash Home & School! They will have 30 minutes to complete as many laps as they can around the course set up at our school. Students will be collecting our popular "foot" charms for every two laps they complete!

Our March-a-thon Goal this year is **\$11,000**, which helps to fund the Home & School's annual budget of approximately \$22,000. We encourage each student to collect **\$45**, or each family to collect **\$65** to help us reach our March-a-thon Goal. *To help us reach our Year-Long Super Goal that is our entire yearly budget, we encourage each student to collect \$85, or each family to collect \$115.*

Look for Pledge Packets to come home this week. Inside each packet will be form letters to complete and send to family and friends for donations, along with information for donating online via PayPal.

We encourage everyone to participate! By working together we can easily reach our goal of \$11,000 . . . every donation helps us reach our goal!

Matching Gifts Help Us Reach or Exceed Our Goal!

Make your gift to General Nash Home & School go further by seeing if your company or organization will match your donation. Companies who have matched funds for North Penn School District include **Thrivent Financial, Merck, AXA Foundation, Bank of America, and Boeing**. For more information about matching gifts, please contact our treasurer, Steph Sharkey at sharkeys2013@gmail.com or 267-263-4635.
