6:30 pm-8 pm

ELEMENTARY MATH INFORMATION NIGHT

All parents and guardians of North Penn School District elementary students are invited to attend a Math Information Night in partnership with Carnegie Learning and sponsored by the North Penn Educational Foundation.

Join us on Tuesday, October 24th from 6:30 pm-8 pm at Gwyn-Nor Elementary School, located at 139 Hancock Rd., North Wales.

Registration is required as seating is limited for this parents only informative discussion.

Parents and guardians will:

- Understand mathematical shifts in standards and teaching practices
- Learn what growth mindset is and why it's important to our students
- Become familiar with tools and resources to help your child learn math

Please complete the Elementary Math Information Night registration form below and return it to your school's main office by Thursday, October 19, 2017, or register online by visiting www.npenn.org. Seating is limited!
