 - 26.5 Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
 - 26.6 Requiring any subcontractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (a) through (e) of this section.

The School District may terminate or cancel the contract at any time for the School District’s convenience, and without cause, by providing sixty (60) days advance written notice to the Applicant. If the contract is terminated in accordance with this Paragraph, the School District shall only be required to pay Applicant for services satisfactorily performed prior to the termination. If the School District has paid the Applicant for services not yet provided as of the date of termination, the Applicant shall immediately refund such payment(s).
33. **PROCUREMENT OF RECOVERED MATERIALS:** For the School District’s purchases utilizing Federal funds, the Applicant agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as the School District may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
34. **BYRD ANTI-LOBBYING AMENDMENT:** Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. 1352. 35. **AWARDED VENDOR VIOLATION OR BREACH OF CONTRACT TERMS:** Applicant shall promptly correct any errors, omissions or defects in any services at no cost to the School District. The School District reserves the right to reject any services reasonably determined by the School District as containing errors, omissions or defects or otherwise failing to conform to the requirements of the contract documents. If Applicant fails to correct the services within a reasonable time, the School District, in addition to any other rights or remedies available at law or in equity or pursuant to the contract documents, may correct them and offset the cost of

correction against any remaining balance owed to Applicant and Applicant shall reimburse the School District for any difference that may remain. If the School District prefers to accept services which are not in accordance with the requirements of the contract documents, the School District may do so instead of requiring its removal and correction, in which case the contract sum will be reduced as appropriate and equitable. Such adjustment shall be affected whether or not final payment has been made. Duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not in limitation of duties, obligations, rights and remedies otherwise imposed or available by law or in equity. No action or failure to act by the School District or Applicant shall constitute a waiver of a right or duty afforded them under the contract documents, nor shall such action or failure to act constitute approval of or acquiescence in a breach thereunder, except as may be specifically agreed in writing.

36. **ADDENDUMS:** If the need arises for an addendum to the bid specifications the district will post the clarification to www.npenn.org/bidspec no later than June 5, 2023. It is the responsibility of bidders to ensure all addendums have been reviewed prior to submission of the bid.
