HARLEYSVILLE BOOKS IS PROUD TO SPONSOR A FREE VISIT WITH THIS WORLD FAMOUS AUTHOR AS OUR SPECIAL THANKS FOR YOUR CONTINUED SUPPORT!

Signed books are available for pre-purchase only through both the school and via our website.

DEADLINE FOR PREORDER IS 10/30/14

A family road trip is supposed to be a lot of fun . . . unless, of course, you're the Heffleys. The journey starts off full of promise, then quickly takes several wrong turns. Gas station bathrooms, crazed seagulls, a fender bender, and a runaway pig--not exactly Greg Heffley's idea of a good time. But even the worst road trip can turn into an adventure--and this is one the Heffleys won't soon forget.

General Nash Elementary School

Discover and Explore
Science, Technology, Engineering and Math

The Nash Home and School Association is dedicated to meeting the needs of families who are looking for a safe, structured place for children to spend time after school. This program will be taught by trained instructors who will deliver a curriculum aimed at sparking a lifelong passion for learning.

Engineering For Kids brings science, technology, engineering and math (STEM), to kids in a fun and challenging way through classes, camps, clubs and parties. We are proud to inspire children to build on their natural curiosity by teaching engineering concepts through hands-on learning.

Upcoming Program at General Nash Elementary School

Mechanical Engineering: Awesome Machines!

This class is designed to introduce students to the job of a mechanical engineer. Through various hands-on activities, students are introduced to concepts of physics, motion and energy using various materials and media, including wind and water. These concepts will be explored through designing, building and testing an array of awesome machines such as cars, boats, catapults, roller coasters and more!

Junior Engineers (Grades K - 2): Wednesdays (11/19, 12/3, 12/10, 12/17) 3:45pm - 4:45pm | **Limited to 12 Students**

Apprentice Engineers (Grades 3 - 6): Thursdays (11/20, 12/4, 12/11, 12/18) 3:45pm - 4:45pm | **Limited to 24 Students**

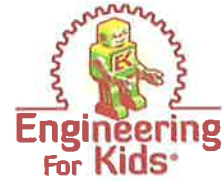

Program Fee: \$80

Please make checks payable to **General Nash Home & School**, in an envelope marked **Engineering For Kids**.

Agreements

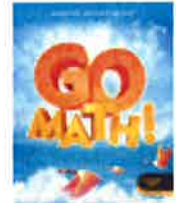

- I agree to inform Engineering for Kids within 24 hours if my child or any member of the household develops a reportable communicable disease (immediate notification required if the disease is life threatening)
- The Engineering for Kids shall notify parents/guardians whenever their child becomes ill and the parent/guardian will arrange to have the child picked up as soon as possible.
- I hereby authorize my child's photo to appear in the media or to be used to promote or publicize our programs.
- In the event I cannot be reached in an emergency, I hereby give permission to the program staff to seek medical treatment at the nearest medical facility. I understand that I am responsible for medical expenses incurred by my child and that Engineering for Kids advises I carry health insurance for my child.
- All required forms will be completed and submitted prior to the start of the registered session.
- In the event that persons are designated NOT eligible to pick up a child, the parent agrees to provide Engineering for Kids with appropriate custodial paperwork.
- Engineering for Kids reserves the right to require identification of any person picking up your child.
- Engineering for Kids will assess a late pick up fee of \$5.00 per 10 minutes after the end of programs.
- Engineering for Kids will contact persons listed as Emergency Contacts if the child has not been picked up within 1/2 hour after the program has ended for the day.
- The parents understand that in order to comply with sign in/out procedures, the parent will come into the Program to drop off and pick-up.
- Engineering for Kids shall not release a child to any person without the parent's consent.
- The parent agrees to provide two weeks written notice prior to terminating a child from the Program.
- In the event of serious disciplinary problems, the Program reserves the right to immediately terminate a child through written notice.
- Engineering for Kids does not assume responsibility for the child until the child arrives and signs into the Program.
