

Reach for the Stars.....READ!!!

The school wide reading incentive at General Nash is underway!

October was a huge success with lots and lots of reading happening at home.

Please encourage your child to read at home for 15 minutes each night, and record that on the star tracker sheet.

For November.....the star tracker sheet, signed by an adult, is due to your child's homeroom teacher by **Monday, December 2**. For this month, a small reward will be given to all students that reach the reading goal for November. And....**there will be one big winner per grade level**. If your child records the longest time for reading at home, he/she will receive an additional incentive for a job well done from our Home and School Association. Thank you to HSA for teaming up with the reading department for this very important reading incentive!

KEEP READING GENERAL NASH!

Yours in Reading!
