Foundation February - 3 ways for February Fun

It makes "Cents" to show your school spirit!

We will be collecting change to donate to the North Penn Educational Foundation. To make this fun for everyone, six Nash teachers have volunteered to compete against one another to collect the most money in their name. All six teachers will get to take part in some friendly competition at the assembly on February 28. **The three teachers with the highest donations will earn the opportunity for some extra silly fun!**

The candidates are:

**Mr. Melchior, Mr. Calhoun, Mr. Yuem,
Mr. Moore, Mr. Kuiken and Mr. Coulter**

To "vote" for your favorite staff member, place the name of the staff member on an envelope with the donation. Any amount will do! "Vote" as often as you wish! The highest donation totals on Monday, February 27th will determine our winners!! Every donation earns you a ticket for a chance at a role in the assembly.

Do you want to be part of the assembly?

Every time a student participates in an upcoming February Spirit Day, they will earn a ticket for **a chance** to play a part in the assembly!!

Would you like chance at an exciting prize from Mr. Winkle?

This year Mr. Winkle is joining in the fun by offering 4 awesome opportunities!

Do you want to ride to school in a POLICE CAR?

How about being driven to Nash on a FIRE TRUCK?

Would you like to do a week's worth of the morning announcements?

Or enjoy lunch with Mr. Winkle and a friend?

For your chance to enter the drawing, send in \$1 and complete the attached square. For every square received, a balloon with your name will be added to the board. Watch the board of balloons take flight as names are added with each dollar donated. You may enter as many times as you would like. Each dollar earns one square.

The mission of the **North Penn Educational Foundation** is to motivate and inspire students in the North Penn School District through innovative projects and learning experiences.

The third annual Foundation February has begun! Last year, Nash was the second highest contributing school. General Nash will again be joining the fun.

Not only does Foundation February help raise funds for innovative programs in our schools, but it raises awareness of this wonderful organization. Since 1988, the NPSD Educational Foundation has funded more than \$1 million of programs in our schools. This year alone the foundation is distributing nearly \$50,000 throughout the school district at every level.
