# PLEASE JOIN US

Walton Farm Elementary, through a generous grant from the North Penn Educational Foundation, has the wonderful opportunity to host Ilse Lindemeyer, a Holocaust survivor and author, who will be sharing her incredible story of heartache and hope on April 6, 2016 at 7:00 pm. She will also answer questions during the evening. This amazing lady, with the help of a representative from the Holocaust Museum in Philadelphia, tells her stories in a way that makes you feel as if you were there and showcases the horrors, but also the love and humanity of others in a way that will make you laugh, cry, and feel redemption of the human spirit.

We would love to have you join us. Ilse's book is available for pre-sale so that you can read it before or after seeing her live and hearing the tale from her own perspective. You will also learn how the book came to fruition which is an amazing story. The books are only available via this printer, so don't miss your opportunity to own one!

This is an important story to be shared but is definitely for mature audiences. Please consider the age of your child and the ability of your child to process the content they will hear, which is uncomfortable at times...but also the fact that these survivors are of an advanced age and this opportunity is one that they may not have again in their lifetime. To that end, we'd suggest those in attendance be approximately 12 and over and that you discuss the holocaust with them in advance of this evening.

Last year, we hosted this incredible event for the Walton Farm community but due to the age of Ilse and the importance of this story, particularly in the atmosphere of divide that we are currently living, we have decided to open the guest list to include other schools in the district. Light refreshments will also be served, and a free will offering will be held with proceeds going to The Holocaust Awareness Museum and Education Center in Philadelphia, PA. Please make sure you have your tissues with you!

If you are interested in attending, please return the form below via inter-school mail or email me at [jenniferdiffley8@gmail.com](mailto:jenniferdiffley8@gmail.com). If you would like to pre-order a book, please send a check for the amount of \$15.00 via inter-office mail or contact me about dropping off payment or mailing to Walton Farm.

-----Please detach and return or send the following information via email-----

I would like to attend this free event at Walton Farm. I will be bringing a total of \_\_\_\_\_ people, including me.

I would like to purchase \_\_\_\_\_ books at \$15.00 each, for a total of \$\_\_\_\_\_, enclosed.  I will pick up my book before the event at Walton Farm  I will pick up my book that evening prior to the presentation

I cannot attend, but please send the enclosed donation on my behalf to the Holocaust museum.

I cannot attend, but will send a donation to the Holocaust museum via their website.  
<http://www.holocaustawarenessmuseum.org>

I cannot attend, but please give the enclosed note to Ilse, thanking her for telling her story. (Notes will be reviewed prior to being given to Ilse). We would love it if your class would make her pictures and notes, but more importantly, she would be honored to be thought of!
