24 Math Club

The 24 Math Club provides an opportunity for students to meet and practice their addition, subtraction, multiplication, and division facts with each other.

We are going to follow the same format as last year for this club. We will have 5 morning meetings and an after school competition here at Nash for our students.

When does the club meet? On Monday mornings from:
8:25 to 9:00 am (students need to arrive between
8:15 and 8:25 so I can let them into the building)

What dates will we meet? April 10th, May 1st, May 8th, May 15th, and May 22nd.

Our building competition will take place on Tuesday, May 30th from 4:00 to 5:00pm in our School Library. Snacks and Drinks will be provided before our competition begins.

The included application is for our morning club meetings only. A letter describing our building competition and a sign-up form will be sent home in May as we get closer to the 30th.

Where does the club meet? In the Nash Library or Mr. Brehm's room

Who is leading the club? Mr. Brehm

How do I join? A parent/guardian must fill out the form on the next page and return it by Friday, April 7th. You **must** hand in a completed permission form in order to participate.
