Dear Nash Parents:

At the end of the school year, many parents wish to show their appreciation to General Nash Staff members by offering a gift. While our staff genuinely appreciates these gestures of thanks, we would like to offer an alternative.

What better way to honor someone than giving the “gift” of education? If you would like to honor a staff member, a family member, or a former Nash student, please consider making a donation to the **General F. Nash Elementary School Scholarship Fund** for a graduating North Penn High School senior, who formerly attended Nash Elementary School. Our newest recipient participated in several sports at the high school, as well as taking part in artistic endeavors such as dance and the Creative Artist Club. She is a member of the National Art Honor Society and helped out the community for Watershed Trash Cleanup events. This student, which will be honored in June, plans on majoring in marine biology and minoring in Spanish. She would also like to study abroad. Your donation, along with funding from the Nash Home and School Association, will continue to support future deserving recipients in furthering their education.

All contributions will be greatly appreciated. Should you choose to make a donation please use the form below. The staff at General F. Nash sincerely thanks you for your thoughtfulness and generosity.

With our sincere appreciation,

Nash Staff
