The mission of the North Penn Educational Foundation is to motivate and inspire students in North Penn School District through innovative projects and learning experiences.

The North Penn School District Educational Foundation, a 501c(3) corporation, is a collaborative effort among individuals committed to providing financial support for North Penn School District schools. The Foundation and NPSD are separate entities but work as partners in support of the children being educated in the district's 18 schools. The Foundation's board consists of Trustees from a broad segment of the community who volunteer their time and expertise to raise the funds and awareness needed to support the Foundation's mission.

Since 1988, educators have been applying for grants that support and complement their subject area's curriculum and provide innovative ways for student engagement which leads to improved learning and comprehending. The variety of grants cover every curriculum area including special education, guidance, technology, science, ESL, math and history. The projects vary, but one thing is similar: everyone's enthusiasm and creativity for enriching students' lives.

Fun Foundation February – It makes “cents” to show your school spirit!

Each day in February, Nash students will be collecting change to donate to the North Penn Educational Foundation. To make this fun for everyone, six Nash staff members have volunteered to compete against each other to collect the most money in their name. The three staff members with the highest donations will earn the opportunity to be on stage during a school spirit assembly on February 29th, Leap Day. One winner will be “silly strung”, another will be “pied”, and another will be duct-taped to the wall during the assembly! Every time a child participates in Spirit Days (see below) they will be given a ticket for a chance to play a part in the assembly!

To “vote” for your favorite staff member, place the name of the staff member in an envelope with the donation included. Any amount will do, and you can “vote” as often as you wish! The highest donation totals on Friday, February 26th will determine our winners!

Vote for your favorite teachers listed below:

Miss Johnson, Mr. Calhoun, Mr. Yeum, Mr. Moore, Mr. Kuiken and Mr. Coulter.
